

Now more than ever, we remain true to our commitment of providing a seamless and safe travel experience for all our Members at the all-inclusive Hard Rock Hotels in Mexico and the Dominican Republic, UNICO 20° 87° Hotel Riviera Maya and Nobu Hotel Los Cabos.

In response to the CDC's recent requirement for a negative COVID-19 test to all air passengers entering the United States effective January 26 we have actively worked to offer convenient and affordable onsite testing options and medical assistance for our members*.

Onsite Testing for U.S. Members

All existing and new U.S. member reservations of 3 or more nights traveling by March 31, 2022 or until the government mandate is lifted will receive **2 complimentary antigen tests per room**. Additional tests can be purchased for \$50 USD. Antigen testing meets these CDC requirements, and must be taken within 3 calendar days before your departing flight to the U.S.

Onsite Testing for Canadian Travelers

All existing and new reservations of 3 or more nights traveling by March 31, 2022 or until the government mandate is lifted will receive **2 complimentary PCR tests onsite per room**; additional tests can be purchased for \$50 USD. PCR testing meets the government testing requirement, and must be taken up to 72 hours prior to departure.

Onsite Testing for Latin America**, UK, Germany, Poland, Austria, Switzerland, Spain, Italy, France, Ukraine, Bulgaria, Czech Republic, Korea, Japan, China, and Arab Emirates Travelers

All existing and new reservations of 3 or more nights** traveling by March 31, 2022 or until the government mandate is lifted, will receive **2 complimentary antigen tests per room**; additional tests can be purchased for \$50 USD. Antigen testing meets the government testing requirement, and must be taken up to:

- 72 hours prior to departure for Latin America, UK, Italy, and Ukraine, Korea, Japan, China, and Arab Emirates travelers
- 48 hours prior to departure for Germany, Poland, Austria, Spain, France, and Bulgaria travelers
- 24 hours prior to departure for Switzerland and Czech Republic travelers

Onsite Testing for Europe, Asia, Israel, South Africa, and Australia Travelers

Travelers returning to other countries that require a negative COVID-19 test result for entry who are checking out between now and March 31, 2022 or until the government mandate is lifted, will receive **2 complimentary PCR tests onsite per room**; additional tests can be purchased for \$50 USD.

Extended Stay Coverage & Onsite Medical Assistance Insurance

All members with existing and new reservations of 3 or more nights checking out between now and March 31, 2022 who test positive for COVID-19 will be able to quarantine at the hotel for up to 14 nights at no cost to them. Additionally, onsite medical assistance insurance is included in all member stays which covers medical expenses such as doctor, medication, and hospitalization.***

For more information please get in touch with our Contact Center or visit legendarymembers.com

*In the event a listed country is no longer requiring a negative test result, the above will no longer apply.

** Applies for reservations of 7 nights or more for Latin American travelers. Consult the countries that require antigen or PCR tests according to their government mandate. Can purchase a PCR test onsite (cost varies between \$150-\$250 USD).

*** Onsite medical assistance provided by a third-party company and does not include coverage for cancellations.
